TEJASAI
THUNUGUNTLA

Summary

Innovative Senior Product & UX Designer with over 10 years of experience in architecting scalable B2B SaaS, HRMS, Global Payroll, and FinTech solutions. Led initiatives to transform legacy systems into user-friendly enterprise applications across APAC. Developed multi-brand design systems, implemented AI-driven workflow automations, and delivered measurable business outcomes on multilingual web and mobile platforms.

Experience

Insightek Global Pvt Ltd - Senior UX Designer
Hyderabad, India
03/2026 - Current

- **Registration Streamlining:** Led end-to-end UX initiative that aligned Product, Engineering, and executive stakeholders to create a developer-ready, seamless onboarding journey.
- **Scalable Design System:** Established architecture and component foundations for an enterprise design system with Brand teams, enhancing visual cohesion and expediting development cycles.
- **Design Maturity:** Championed design-led product discovery through collaborative workshops and usability testing, accelerating decision-making across low-maturity teams.

Independent Product & UX Consultant
Hyderabad, India
06/2025 - 01/2026

- Led product discovery, competitive benchmarking, and UX strategy for an emerging HR and FinTech SaaS platform, enhancing user engagement and market alignment.
- Developed end-to-end information architecture and user journeys, creating interactive clickable prototypes to validate product-market fit and guide engineering roadmaps.
- Collaborated with product, design, and development teams on interface solutions.

Ascent HR Technologies Pvt Ltd - Senior UX Designer
Bangalore, India
12/2023 - 05/2025

HONORS & AWARDS

Best Team Award — Ascent HR Technologies, Best Ad Film Making — Loyola Academy, Hyderabad

APAC (India, Singapore, Philippines, UAE).

- StoHRM Global HCM App: Redefined mobile HCM experience, achieving 85%+ user adoption and facilitating regional expansion with multilingual workflows.
- TIA (AI HR & IT Assistant): Designed conversational AI interfaces, reducing support ticket volume by 65% and decreasing recruiter resume-sorting time by 70% through automated parsing workflows.
- Smart Reports Suite: Redesigned complex reporting workflows, eliminating 90% of cognitive load and instituting automated report sharing for 100% on-time bank advice and payroll delivery.
- Jofin FinTech Module: Designed split-salary transaction flows deployed within the StoHRM platform, resulting in rapid product monetization and 45% employee adoption within the first month.
- PowerPay Payroll Engine: Revamped legacy Information Architecture under PowerBuilder constraints, removing 85% of navigation bottlenecks for enterprise operations teams.

Think Reform LLP - Lead UX/UI Designer

Hyderabad, India

12/2021 - 12/2023

- Mentored a squad of 6–8 junior UI designers and interns in user research methods, heuristic evaluations, and rapid prototyping to enhance their skills and project contributions.
- Streamlined multi-brand design systems and unified UI libraries across client engagements, improving design-to-development delivery timelines.

Milkyway Works - UX/UI Designer

Vijayawada, India

07/2019 - 04/2021

- Designed user journeys, high-fidelity UI, and mobile applications for e-commerce and consumer SaaS clients, enhancing user experience and optimizing checkout conversion flows.
- Mentored design interns on Figma components, typography hierarchy, and collaborative wireframing, fostering skill development and improving team design processes.

Wishbox Digital - UX/UI Designer

Vijayawada, India

12/2017 - 06/2019

- Delivered responsive web applications, client portals, and marketing experiences from conceptual wireframes to dev-ready specifications.
- Executed regular usability testing sessions and competitor analyses to iteratively refine user task completion rates.

Munchem, Inc - Lead UI Designer

Vijayawada, India

09/2015 - 10/2017

- Developed visual design identity and responsive layout standards for early-stage digital products, promoting cohesive interface asset production.
- Developed brand concepts for Munchem marketing materials.

- Designed Munchem packaging graphics and label layouts.
- Updated artwork files for print and digital use.

Extracurricular Activities

- Community Leadership: Marketing & Communications Volunteer, AIESEC (2011–2013)
